SPRING TRAINING!

After a long, cold winter (thanks for *nothing*, Punxsutawney Phil!), it's great to see the days warming up again. And with Spring just around the corner, it'll soon be time for the great American pastime, Baseball! And warm weather. And being outside... instead of inside. I for one can't wait.

But until then, we have a world of adventure at our fingertips 365 days a year with Comics. Comics go great with any season, and no matter what you're reading, things are always better with Comics!

This month, we once again celebrate MANGA MONTH, and it's probably our most popular monthly theme. And why we wouldn't it be? Japanese comics are enjoyed the world over, translated into dozens of languages, but thematically accessible to everyone. Heck, even yours truly is getting in on the excitement! I currently count *KAIJU no. 8*, *ULTRAMAN*, *CHAINSAW MAN*, and *KARATE SURVIVOR IN ANOTHER WORLD* as some of my favorite reads when new volumes drop.

So, if you want in on the excitement, head over to Page 200 for our Manga Month spread, featuring new and backlist titles sure to interest you! (There's an awesome new *AKIRA* artbook offered, too!)

Next month, on May 7th, Free Comic Book Day returns to its rightful place, the "first Saturday in May", and we have got a great batch of new titles that will be available, FREE of charge, from participating shops! Be sure to check out our Free Comic Book Day 2022 section to double-check your list of must-have freebies for this year!

One last thing, be sure to check the 52nd edition of the Overstreet Comic Book Price Guide for 2022! I must admit that I am torn between which cover version I want for my shelf... they're all winners this year, which makes it a tough decision... but I think I have it narrowed down to one (or two)! You'll find the new Guide under *Gemstone Publishing* in this issue!

That's all I got for this month, folks! I hope you'll come back and join us for our next issue!

Rare Terminator VHS Sells for \$32K at ComicConnect

ComicConnect recently broke new ground with a record sale of a sealed VHS copy of *The Terminator* IGS 9.5 (Gem Mint) first print at \$32,500. "This is an extremely rare release of an all-time classic movie," ComicConnect COO Vincent Zurzolo said. "The first version released for home, and with a population of just one, this unique,

highest graded copy was a grand slam for the buyer."

Released in theaters in October 1984, the James Cameron directed blockbuster was released on home video that same year by Thorn EMI Video. Made on a meager \$6.4 million budget, *The Terminator* went on to gross \$78.3 million.

eMoviePoster's February Auctions Bring in \$311K

eMoviePoster held three auctions in February 2022 containing over 4,000 items that ended in a total of \$311,821 sales. One of those auctions featured camera original and studio-issued

transparencies and negatives and sets of 35mm slides. Three of the surprise sales in that auction were a *Bride of Frankenstein* camera original negative for \$4,411, Jean Harlow camera original negative for \$2,733, and *Bride of Frankenstein* camera original negative for \$2,666.

Silver Surfer: Riding the Cosmic Waves

The Silver Surfer is one of the most powerful characters in Marvel who is capable of extraordinary feats. A Jack Kirby creation, he was introduced in *The Fantastic Four* #48 (March 1966) as a world-ending weapon. But before he was the herald of Galactus, he was Norrin Radd, a young scholar from the

utopian planet Zenn-La.

When Galactus threatened to destroy the planet, Norrin negotiated with the cosmic being. He pledged to find other planets for Galactus to consume if the latter would spare Zenn-La. Agreeing to the proposal, Galactus gave him a fraction of the Power Cosmic, transforming Norrin into the Silver Surfer.

Milestone Antique Toy Auction Grosses Nearly \$500K

One of Milestone Auctions' specialties is antique and vintage toys, and the nostalgia factor that drives today's prices for clean, crisp vintage toys led to a \$500,000 total for their Winter Antique Toy Spectacular. The top sale was a Marx prototype Speedboy 4 with a soldier driver and rear accoutrements that hammered for \$16,800. Sales highlights also included a Marx windup Indian motorcycle with sidecar for \$9,840 and a rare I.Y. Metal Toys (Japan) #3 Race Motor Cycle for \$8,400.

TYLER CHIN-TANNER
JAMES BOYLE

Please tell us a bit about yourself!

I've been a life-long reader of comics, pulling them straight off the spinner rack since the age of four. That being said, my first job was as a public-school teacher in the U.S. as well as in Tanzania, Africa and Costa Rica. I made the leap into a career in comics by attending The Joe Kubert School from 2003-2006. It was there that I founded my own publishing company, A Wave Blue World, with my wife Wendy. Through AWBW, I've produced many of my own creator-owned titles, edited and contributed stories to a number of anthologies, and published various works from other creators.

What are your favorite projects you've contributed to over the past decade?

A highlight from last year was teaming up with my wife to co-edit *"Embodied, An Intersectional Feminist Poetry Anthology"*. This felt like a project only we could do because it combined both our passions of comics and poetry. That being said, Wendy and my first collaboration came 10 years earlier on the graphic novel, *American Terrorist* (AUG201207). This political thriller takes a close look at the effectiveness of protest and revolution in the U.S.

I also wrote my first YA graphic novel, *The Orphan King* (JUN211327), which came out last year. This twist on the classic King Arthur legend sends its hero, Kaidan, on a quest to find his lost parents and unlock the mystery of who destroyed their kingdom.

What are you currently working on?

We just launched the new series *Mezo*, the Mesoamerican-inspired fantasy epic. Volume 1 (OCT191596) of this came out in 2019, and this second story arc will run for 5 issues this summer before being collected in a trade

paperback in October 2022. Artist Val Rodriguez and I are so excited for the continuation of this series that we're already working on Volume 3!

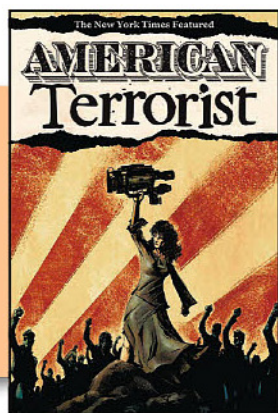

And while I took a creative backseat on *Young Men in Love* (DEC219531), I'm very proud to have taken part in getting this queer romance anthology out into the world.

What fun titles are you reading?

I'm currently reading *"Joe Hill's Rain"* by David M. Booher and Zoe Thorogood. I've been a big fan of both of their work for a few years now, so seeing them collaborate on an adaptation of a Joe Hill short story is a lot of fun. Plus, it's published by Syzygy, the new imprint at Image, so watch out for them.

I also really enjoyed reading *Helm Greycastle* (Vol. 1 / JUN210134) by Henry Barajas & Bryan Valenza. This puts a new twist on Aztek history by way of a Dungeons & Dragons-style adventure. I hope there's a second story arc on its way!

Finally, I have to say that both volumes of Vault Comics' *Resonant* (Vol. 1 / NOV191999; Vol. 2 / AUG212159) were fantastic! It reminded me a lot of what I loved about Jeff Lemire's *Sweet Tooth*, while mixing in some *Lord of the Flies*, as a father must leave his children behind for them to survive in a post-apocalyptic world.

USER'S GUIDE

There's a lot of awesome comics and products to look through in **PREVIEWS**. "A lot" might be a bit of an understatement, as each month's catalog is filled with hundreds and *hundreds* of pages of upcoming comics and related merchandise! It can be easy to accidentally overlook a new series you've been dying to read or a figure you've been pining to add to your shelf when there's so many things to browse. That's why we've put together this guide to help you learn how to use **PREVIEWS** like a pro to order the awesome titles and products you want!

WHAT EXACTLY IS PREVIEWS?

PREVIEWS is part catalog, part magazine (we call it a *Mag-a-log*!) of monthly listings of all of the upcoming comic titles and related products from your favorite publishers and manufacturers in one convenient place. And don't worry—**PREVIEWS** is organized by publisher and product type (and color-coded to boot!), to make it easy to find and flip to the section or items you're looking for. Each item listing has the information you need, such as format, size, page count, price, release date, stock or item code, and descriptive text, and nearly every listing is accompanied by artwork or images.

The most important aspect of **PREVIEWS** to remember is that items solicited in the catalog are anticipated to ship 2-3 months later (or more). For example, if you found a comic you wanted in the May issue of **PREVIEWS**, you can expect to see

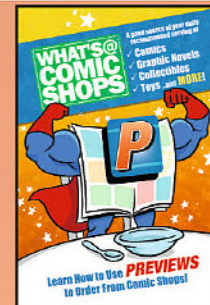

it turn up in your local comic shop in July. The catalog can be a great resource for figuring out where your favorite comic series is going, or for discovering new ones that you'll want to add to your library—not to mention all the other awesome products!

HOW DO I ORDER FROM PREVIEWS?

When you've picked out all of the items you want, you can fill out the **Short Order Form** included in your copy of **PREVIEWS** and submit it to your local comic shop. You can also ask your friendly neighborhood retailer about obtaining a **Customer Order Form**, a booklet that contains a complete listing of all the items made available for that month. These forms make pre-ordering your

comics and products a breeze and can help your local comic shop decide what to stock in the store for other customers, too! Be sure to also ask

your retailer about their **pullbox** or **subscription service**. Once you've submitted your order, you can sit back and relax, or try to contain your excitement until your comics and merchandise arrive!

IMAGE COMICS' CLEMENTINE LAUNCHES A YOUNG ADULT WALKING DEAD GRAPHIC NOVEL TRILOGY

Created for Telltale Games' *The Walking Dead* video games, Clementine, a girl who, after losing her parents in the zombie apocalypse, finds mentors to help her in the changed world and helps other children who, like her, survived without parents as she searches for a place of safety and community. Clementine makes her graphic novel debut in a YA trilogy from Image Comics and Skybound Entertainment by Tillie Walden, the Eisner Award-winning creator of *Are You Listening?* and *Spinning*, titled, appropriately enough, *Clementine*.

Following the events of the video game series, Clementine, now seventeen, has struck out for the north. In an old ski resort, she and other survivors of the walkers have tried to construct a new settlement. In a world so changed, surrounded by strangers, where trust is hard to come by, Clementine and her new friends face more than just the threat of the walkers. They face threats from one another, for human nature is one thing that hasn't changed.

Fans of the games and teen readers discovering zombie fiction will want to meet Clementine and discover her world in Tillie Walden's *Clementine Book One*, the first book in a self-contained trilogy set in the world of Robert Kirkman's *The Walking Dead*!

THE COUNTDOWN TO THE NEXT CHAPTER IN *POWER RANGERS* HISTORY BEGINS IN BOOM! STUDIO'S NEW ONE-SHOT

BOOM! Studios' *Power Rangers* comics have spanned the multiverse of the long-running franchise, and their newest one-shot delves into the backstory of *Power Rangers in Space* and fan-favorite Rangers Zhane and Andros, setting the stage for the next *Power Rangers* event in *Power Rangers Unlimited: Countdown to Ruin* #1. Best friends Andros and Zhane grew up on planet KO-35, where they developed their telekinetic powers. This set them on the path to becoming the Red Space Ranger and the Silver Space Ranger, respectively, only to suffer a devastating tragedy when Zhane gave his life to protect Andros from a mortal blow. L.L. McKinney and Anna Kekovsky Chandra explore this decisive moment in *Power Rangers* history in *Power Rangers Unlimited: Countdown to Ruin*, the beginning of BOOM! Studios' next *Power Rangers* saga!

Horror writer Nancy Collins and artist Enid Balam continue Elle's story in Titan Comics' new mini-series, *Blade Runner: Black Lotus*. **AN ALL-NEW, FULLY-AUTHORIZED GRAPHIC
NOVEL ADAPTATION OF THE CULT 1976
STUDIOCANAL MOVIE STARRING DAVID BOWIE!**

Today we're speaking to writer **DAN WATTERS**
(*Cowboy Bebop*) about the hotly-anticipated
graphic novel.

DAN WATTERS

Hey Dan, it's great to have you with us to talk about this exciting new adaptation. Tell us, what first attracted you to this story? Are you a fan of the original book and movie?

D: Thanks! I've been a fan of Nicolas Roeg since I went into *Don't Look Now* as a teenager expecting a slasher film and found something traumatic and transcendent instead. The same went for *The Man Who Fell to Earth* as a sci-fi film. It's a story that reminds me we all feel like aliens a bit; born into a world we didn't ask for, made to navigate it without a guidebook. Considering the current climate, I'm willing to bet a lot of people feel like that.

Did you like Bowie's take on the character of Thomas?

D: It's one of those roles I can't imagine having been played by

anyone else. You can never quite see inside his head, but he's infinitely human and engaging to watch. Iconic even. There's a reason the film has such a following.

How do you plan on getting into the mindset of Bowie to help you write the dialogue?

D: Gin & Tonics, mostly. Though a bit of music wouldn't go amiss either!

How did you approach writing the story, in terms of building from the established narrative and tropes of the film?

D: The film is so prescient in some of the topics it tackled 46 years ago - namely climate change and accelerating capitalism - it was simply a case of looking back at it through the lens of today. We haven't changed things to update it - we didn't need to.

We've just made a comment on it a little, perhaps. The tropes of the film are only amplified in this telling.

What do you think makes *The Man Who Fell to Earth* a good fit for adapting into comic form?

D: I think you can just look at the art Dev Pramanik has been delivering for the book. It's a film with a remarkably strong aesthetic, and that always gives an artist space to play. The visual aspect has always been an important part of the cult following. A comic also relies heavily on visuals which is why I know fans of the film will fall immediately in love with this adaptation. Dev really is very talented and I think everyone will be able to appreciate that.

THAT'S WHAT MY SISTER DOES WITH HER KID. SHE HAS A LITTLE SPRAY BOTTLE THAT SHE FILLS UP WITH WATER AND A LITTLE BIT OF LAVENDER SO IT SMELLS NICE.

GIVES A FEW SPRAYS UNDER THE BED EACH NIGHT, SAYING THAT IT'S LIKE DOGS MARKING TERRITORY. MONSTERS STAY AWAY FROM THE UNICORN PISS.

THAT'S INSANE.

I MEAN, I THINK IT'S MORE ABOUT TAKING THE FEAR SERIOUSLY. OTHERWISE, KIDS LEARN THAT THEY CAN'T GO TO THEIR PARENTS WITH ANY OF IT.

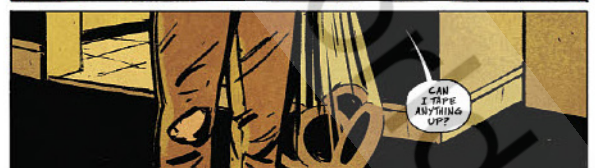

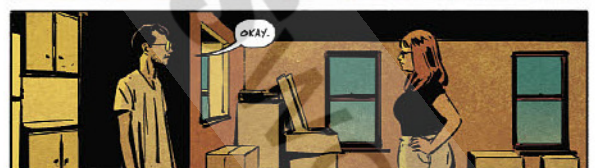

THAT'S WHAT SHE SAYS. I WOULDN'T KNOW. DON'T HAVE KIDS. I JUST GET TO BE THE FUN UNCLE. THROW THEM AROUND AND ALL THAT.

YEAH.

On a seemingly normal August day in Boulder, Colorado, the skies are clear and Honeysuckle Speck couldn't be happier. She's finally moving in with her girlfriend Yolanda. Since the very dawn of man, legends have been told of the conflict between angel and demon-kind. Lam Lyle, a woman of science, dismissed these stories as just that—fiction. But when the loss of a loved one leads to the discovery of a hulking, benevolent demon named Hellvis, Lam realizes that her life is about to undergo a dire new direction. With a new-found partner and awesome powers now at her disposal, our hero suddenly finds herself thrust into a climactic war of good and evil with no less than the fate of the world hanging in the balance . . .

From comic-book superstars Scott Snyder and Greg Capullo (*Batman*, *Batman: Last Knight on Earth*, *Dark Nights: Metal & Death Metal*) comes a new blockbuster series of biblical proportions.

FROM THE WRITER OF *STAR WARS* AND *AQUAMAN*!

WRITER JORDAN CLARK TAKES FANS BACK IN TIME TO OLD JAPAN IN SAMURAI SONJA

Jordan, what drew you to tell a tale of *Samurai Sonja*, among all the unique multiversal variants that fans got to see in *Sonjaversal* and *Hell Sonja*?

Christopher Hastings, Pasquale, and Nate have done an incredible job creating all these variants of Red Sonja that retain the core elements that fans love, but open a whole new world of adventure. So racking my brain for something fans haven't seen yet, a samurai variant immediately jumped out. I've always been enamored

by samurai lore, so it's been a blast to craft this version of Sonja.

The book is taking place in the Sengoku period of Japan, circa 1467 to 1615. For those less familiar with the history, how would you describe this era and how it relates to our protagonist?

The Sengoku was a very turbulent time in Japan's history. After the previous government collapsed, Japan was consumed in a nearly constant civil war with various clans and daimyos vying for power. Some of the most notable samurai in history were active during this time. Sonja will be fighting to make her name amongst them and continue her family's legacy as great warriors.

Though nestled into a period of real-world history, Red Sonja comics are of course fantasy. Can we expect to see some exciting mythical monsters or other fantastical elements?

Not to give too much away, but one of the most fun things so far has been going through Japan's rich folklore to find creatures that can test Sonja's skill. There's going to be some well-known monsters in there, but also some fun deep cuts as well.

Samurai stories, real and fictional, have quite the legacy in film and comics — primarily via manga, where samurais lived and fought years ago. Are you pulling from any key influences in crafting this latest entry into that legacy?

I'm a huge Akira Kurosawa fan. Seven Samurai, Yojimbo, Rashomon are such incredible stories and are definitely influences on this. I also wanted to pull from the real history of female samurai (onna-bugeisha) and the legendary warrior Tomoe Gozen.

Visually, I grew up on Samurai Jack, so that's something I revisited, especially for ideas for fight sequences. And the Vagabond manga by Takehiko Inoue is an epic master class that all samurai comics are measured against. So I've been studying that pretty intently.

The talented Pasquale Qualano is handling the art on this series. How has it been collaborating with him so far and seeing your plots and ideas come to the page?

Pasquale is an incredible talent. And the stuff I've seen so far..? If you've enjoyed

his work on Sonjaversal and Hell Sonja, he's bringing that same energy to this! There are so many moments I can't wait to see Pasquale bring to life.

What would you say to new readers looking to jump on to this series?

This will be something anyone can enjoy! If you're a long time Red Sonja fan,

it's a twist on what you know and love. If you're just getting into the world of Red Sonja, this is a fun self-contained series that hopefully will get you hooked into the Sonjaverse.

ORIGINAL GRAPHIC NOVEL HARDCOVER

SIGNED BOOKPLATE EDITION

FC | 136 pages | Action Adventure | \$50.00 | 16+ | 6/22

writer: Billy Tucci
artists: Maria Laura Sanapo, Edu Menna, and Billy Tucci

**SIGNED BY
BILLY TUCCI**

In this new, original graphic novel starring one of the Golden Age's greatest heroines, writer Billy Tucci, along with artists Maria Laura Sanapo and Edu Menna, delves into the eponymous deep dark secret of the Nazi regime during the Second World War. Through the 1940s, several Nazi concentration camps featured brothels wherein Jewish women were forced to work as prostitutes for soldiers. This rarely discussed, dark tragedy of history remains starkly relevant today.

Now, Miss Fury and her team of Black Furies have discovered this cruel phenomenon — and they're going to kick some Nazi ass, in an all-female style mission of revenge.

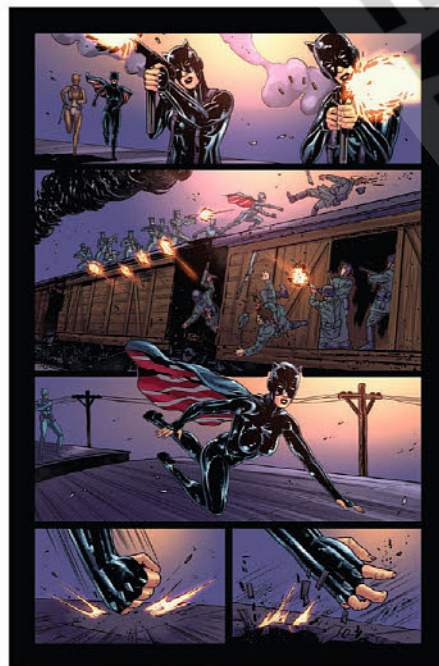

This signed original graphic novel includes a feature illustrated by Billy Tucci and fits perfectly into a continuity gap in the original storylines of Miss Fury, taking place in the summer of 1944.

Miss Fury — real name Marla Drake — dates back to 1941 and holds the esteemed distinction of being the first female hero created by a woman in the medium. Writer and artist June Tarpé Mills chronicled the tales of the original "Cat Woman" for a full decade in newspaper strips, with the character also licensed at the time for a Marvel comic book. Mills and her heroine were more ahead of their time than even their notable first indicates. Mills dropped her first name when signing the strip to disguise her gender. When Marla was depicted wearing a bikini in a 1947 strip, 57 papers dropped the feature in protest.

**FIRST TIME OFFERED TO

"I take it very, very seriously to honor Miss Fury's creator, June Tarpé Mills, and to bring to light one of the most heinous yet forgotten episodes of the Holocaust." — Billy Tucci

SHEENA: QUEEN OF THE JUNGLE #7

FC | 32 pages | Action/Adventure | \$3.99 | Teen+ | 6/22

writer: Steven de Souza
artist: Jethro Morales
covers: Lucio Parrillo (A), Arthur Suydam (B), Joseph Michael Linsner (C), Rose Besch (D), Jackie Goehner Cosplay variant (E), Joseph Michael Linsner (F-RI/BW), Rose Besch (G-RI/BW), Lucio Parrillo (H-RI/BW), Arthur Suydam (I-RI/BW)

"Cenozoic" continues as Sheena and her band of human and animal allies explore (literal) uncharted territories in a strange new land, filled with things unseen by human eyes – or otherwise! Living legend Steven de Souza delivers the high-tech, high-adventure, pulp stylings of the original Queen of the Jungle!

Artist Jethro Morales continues to illustrate the adventures of Sheena and returning cover artists Lucio Parrillo, Arthur Suydam, Joseph Michael Linsner, Rose Besch and stunning new cosplayer Jackie Goehner round out the most thrilling adventure comic on the racks!

"The art here is terrific and beautiful. There is a visual distinction of the concrete jungle and the actual jungle. The two places look different while using the same art style. That boils down to detail. The glass in the buildings look real just as the leaves on the trees are equally defined" —Comic-Watch.com

Halt and Catch Fire co-creator
Christopher Cantwell and artist
Luca Casalanguida uncover the
conspiracy to end all conspiracies!

Where is Lee Harvey Oswald's body?

The Kennedy assassination is a rat's nest of conspiracy theories: mafia involvement, a second gunman, a government cover-up... but the most important one may just be the idea that the body in Oswald's grave is not actually Lee Harvey.

Meet the ragtag group of "useful idiots" unwittingly brought together to clean up the crime of the century—a wannabe cowboy from Wisconsin, a Buddy Holly-idolizing (former) car thief, a world-weary Civil Rights activist ready for revolution, and a failed G-Man who still acts the part.

Eisner Award-nominated writer, producer, and director **Christopher Cantwell** (*Iron Man*, *The United States of Captain America*) and artist **Luca Casalanguida** (*Lost Soldiers*, *Scout's Honor*) deliver an off-kilter crime thriller set in the shadows of history's greatest conspiracy!

M IS FOR
MONSTER GN

(W/A/CA) Talia Dutton

When Doctor Frances Ai's younger sister Maura died in a tragic accident six months ago, Frances swore she would bring her back to life. However, the creature that rises from the slab is clearly not Maura. This girl, who chooses the name "M," doesn't remember anything about Maura's life and just wants to be her own person. However, Frances expects M to pursue the same path that Maura had been on—applying to college to become a scientist—and continue the plans she and Maura shared. Hoping to trigger Maura's memories, Frances surrounds M with the trappings of Maura's past, but M wants nothing to do with Frances' attempts to change her into something she's not. Talia Dutton's debut graphic novel, *M Is for Monster*, takes a hard look at what it means to live up to other people's expectations—as well as our own. (STL225884) (C: 0-1-0)

Four years ago, a masked slasher began stalking the streets of New York City. Maniac Harry is inhuman, unkillable and unstoppable. Which is why the authorities' solution has been to ignore him, and let New Yorkers adapt to a world where death can strike at any moment. When Maniac Harry starts killing his way through the subway system, trauma-haunted political aide Gina Greene and disgraced NYPD detective Zelda Pettibone become determined to go rogue and destroy him. But how can they fight a monster when they can't fight City Hall?

From Emmy Award-winning writer Elliott Kalan (*The Daily Show*, *MST3K*, *Spider-Man & the X-Men*) and artist Andrea Mutti (*Port of Earth*, *Hellblazer*, *BUNNY MASK*) comes the sequel to the horror story that happens when terror becomes the new normal.

A frightening, thought-provoking, sometimes funny, always timely tale of murder, obsession and urban living, this second printing volume contains the first story arc, issues #1-5.

One of the greats in the field of true-crime literature, Harold Schechter, teams with five-time Eisner Award-winning graphic novelist Eric Powell to bring you the tale of one of the most notoriously deranged murderers in American history, Ed Gein. This is an in-depth exploration of the Gein family and what led to the creation of the necrophile who haunted the dreams of 1950s America and inspired such films as *Psycho*, *The Texas Chainsaw Massacre*, and *The Silence of the Lambs*. Schechter and Powell's true-crime graphic novel takes the Gein story out of the realms of exploitation and gives the reader a fact-based dramatization of these tragic, heartbreaking and psychotic events. GENERATION WONDER: A NEW AGE OF HEROES SC

(W) Barry Lyga, Paul Levitz

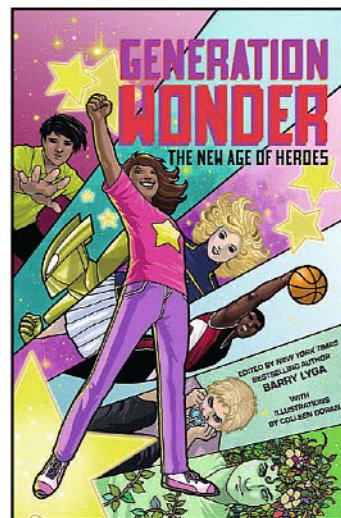

(A/CA) Colleen Doran

Triumph. Tragedy. The empyreal. The infernal. Even the mundane, filtered through the fantastical. Superheroes are, appropriately enough, a sort of super-genre, encompassing all other story types. This YA anthology features 13 short stories that creatively turn superhero tropes on their head, while still paying homage to the genre that has found fans for more than eight decades. And there will be no mistake—superheroes don't have to just be generic handsome white dudes. Everyone in the world, no matter their race, sexual preference, pronouns, or level of ability, has dreamed of flying. (STL225891) (C: 0-1-0)

GODKILLER vol 3 TP TOMORROW'S ASHES

writer MATTEO PIZZOLO | artist ANNA MUCKCRACKER
lettered by JIM CAMPBELL | cover by NEN CHANG

\$16.99 | 128 pages | Full Color | Mature

"Fast, brutal, and more than a little sexy." -- Nerdist

From Matteo Pizzolo (CALEXIT) and Anna Muckcracker, the comic that Zac Thompson said "pushed me further than I've ever been pushed" returns to ratchet up the chaos, spitting punk rock fury, thundering into your eyeballs and running roughshod across your brains with its often mindbending, sometimes horrifying, always clever & devious tale of sci-fi magic, apocalyptic sex, and subversive mindbombs. Collects Godkiller: Tomorrow's Ashes 1-3.

"A singular vision full of fresh elegant brutality and dark humor, it's like some genius commissioned Chuck Palahniuk, Terry Gilliam, and Aleister Crowley to reinvent dystopia fiction."

-- Justin Benson & Aaron Moorhead (directors MOON KNIGHT Season 1, SOMETHING IN THE DIRT, LOKI Season 2)

BLOOMSBURY

THE PHILOSOPHY OF COMICS: AN INTRODUCTION SC

Thinking about comics raises a bewildering range of questions about representation, narrative, and value. *Philosophy of Comics* is an introduction to these philosophical questions. In exploring the history and variety of the comics medium, Sam Cowling and Wesley D. Cray chart a path through the emerging field of the philosophy of comics. Drawing from a diverse range of forms and genres and informed by case studies of classic comics such as *Watchmen*, *Tales from the Crypt*, and *Fun Home*, Cowling and Cray explore ethical, aesthetic, and ontological puzzles. This is an ideal introduction to the philosophy of comics and some of its most central and puzzling questions. (STL226305) (C: 0-I-0)

One of the all-time greats is featured in this very special issue. John Watkiss may not be a name familiar to many readers, but within the world of film, comics and gallery art he is rightly regarded as being one of the most exceptional talents of recent times. The son of a miner, he taught himself how to draw the human form from memory aided by a battered copy of a book by George Bridgman. By the time he arrived at art college he was a better draughtsman than any

of the tutors working there. He taught life drawing, sold paintings to the rich and famous and created over 300 massive paintings that inspired the Disney Tarzan movie. An incredible roller-coaster ride of massive highs and lows-accompanied by some of the most mesmerizing art you have seen-this is an issue you will not want to miss! (STL226675) (C: 0-1-2)

THE LINCOLN BRIGADE: NEWSREEL EDITION TP

(W) Pablo Dura
(A) Carlos Esquerro, Ester Salguero
(CA) Carlos Esquerro
Presented in black and white, the true story of 3,000 American volunteers who defied their government and traveled to Spain in 1937-38 to fight fascism during the Spanish Civil War. These volunteers called themselves The Lincoln Brigade. This graphic novel focuses on Oliver Law, an African American who fought and protested for worker rights in the Depression-era 1930s United States. Law and other black American citizens volunteered to go to Spain, and with little training, fighting in the war. Law would go on to lead the entire Lincoln Brigade army, integrated with both black and white soldiers, into combat. Law's assumption of command took place 10 years before black and white soldiers were integrated in the US Army, to say nothing of any military group being led by a soldier of color. (STL226326)

WASH DAY DIARIES GN

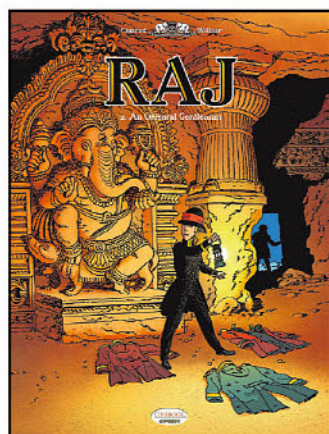

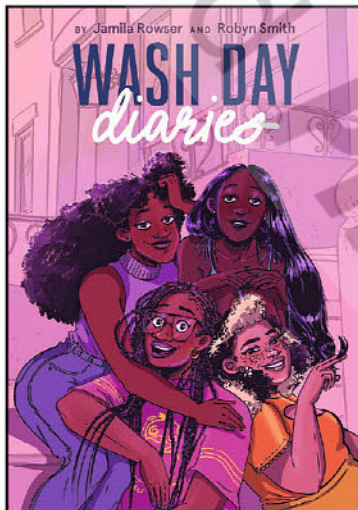

(W) Jamila Rowser

(A) Robyn Smith

The book takes its title from the wash day experience shared by Black women everywhere of setting aside all plans and responsibilities for a full day of washing, conditioning, and nourishing their hair. Each short story uses hair routines as a window into these four characters' everyday lives and how they care for each other. In expanding the story of Kim and her friends, the authors pay tribute to Black sisterhood through portraits of shared, yet deeply personal experiences of Black hair care. From self-care to spilling the tea at an hours-long salon appointment to healing family rifts, the stories are brought to life through beautifully drawn characters and different color palettes reflecting the mood in each story. PROJECT MK-ULTRA: SEX, DRUGS AND THE CIA, VOL. 2

Writer: **Brandon Beckner & Scott Sampila**
Artist | Cover: **Stewart Moore**

Based on actual events, *Project MK-ULTRA* is a zany, wild, vivid, pop-culture laced *Alice in Wonderland* ride exploring the history of LSD and the CIA's most guarded top-secret Mind Control Project.

Picking up from Volume One's ending, Volume Two catapults readers into the darkest reaches of this twisted tale as it psychedelically spirals towards a jaw-dropping conclusion—one which will leave readers re-thinking everything they thought they knew about the counterculture of the 1960s and 1970s.

PROJECT MK-ULTRA: SEX, DRUGS AND THE CIA, VOL. 1

Writer: **Brandon Beckner & Scott Sampila**
Artist | Cover: **Stewart Moore**

While most Americans were watching *Leave it to Beaver* and listening to The Everly Brothers, an eclectic group of CIA operatives were spiking each other's coffees with LSD, throwing decadent parties and hiring prostitutes to slip unsuspecting johns drug-laced drinks in order to observe every stoned and kinky moment from behind two-way mirrors.

And this was only when they weren't dreaming up the next far reaching "official" application for this new, all-powerful, mind blowing drug—a drug that would ironically fuel the counterculture over a decade later. Coincidence? Maybe not.

TERRY AND THE PIRATES: THE MASTER COLLECTION VOL. 2

Writer | Artist | Cover: **Milton Caniff**

Volume 2 of this landmark series—reproduced from Milton Caniff's personal set of color syndicate tabloid proofs—features the iconic 1936 daily and Sunday adventures, which continue their separate paths until the end of August when the stories—and cast of characters—are happily united once and for all.

In the Sunday Saga, Pat and Cap'n Blaze have it out across a checker board! Then things get really hot when the Dragon Lady and her men lay siege to Blaze's encampment! A twist of fate puts Pat in charge of the Dragon Lady's forces, but they're mistaken for soldier-of-fortune pirates when the Chinese Army storms their position. It takes timely intervention from a surprising source to gain their freedom.

Meanwhile, in the Daily Saga, fists fly when Terry, Connie, and Pat are taken prisoner by the insidious Captain Judas—and sparks fly when the boys have their first meeting with beautiful, blonde Burma! The famous strips from March 16-21 steamed up the national audience and became one of the most imitated sequences in comic strip history. Later, cat claws are unsheathed against the backdrop of plague on the plantation run by Stan and Wendy Wingate, Burma takes a dive, and with the daily and Sunday strips integrated into a unified storyline the boys once again confront the Dragon Lady before running afoul (accent on the foul!) of Papa Pyzon.

The Library of American Comics and Clover Press are proud to publish *Terry and the Pirates: The Master Collection*, the ultimate edition of Caniff's masterpiece. We present the Sundays in an unmatched color fidelity and larger than they have ever before been reprinted—an unparalleled upgrade that no Terry fan can afford to pass up.

"Trash Market" and "Gently Goes the Night" touch on key topics for Tsuge: the charming lowlifes of the Tokyo slums and the WWII veterans who found themselves unable to forget the war. *Trash Market* blurs the lines between fiction and reportage. HOW TO MAKE A MONSTER

By Casanova Frankenstein & Glenn Pearce

\$29.99 / SC / 224 pgs / FC / 8" x 10"

How to Make a Monster is Casanova Frankenstein's unflinching memoir of growing up as a Black INTJ 13-year-old in 1980s Chicago. His was a world of fear and isolation punctuated by bullying, racial segregation and a home life consisting of a distant mother and a violent, alcoholic father. It is a searing portrait of an unbearably painful upbringing. *How to Make a Monster* is illustrated by Australian outsider artist Glenn Pearce who captures Frankenstein's inner turmoil using a variety of artistic approaches ranging from naturalistic portraiture to outrageously inventive phantasmagoric imagery.

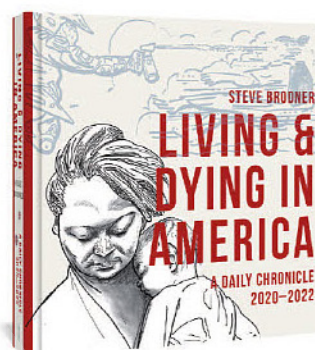

AS A CARTOONIST

By Noah Van Sciver

\$19.99 / HC / 100 pgs / FC / 7.4" x 10.3"

A series of comic strips joined together by the theme of cartooning reveal a funny and often poignant reflection on the lives we choose to live. Van Sciver juxtaposes fictional stories about what life as a "19th Century Cartoonist" might have looked like with autobiographical strips about life as a contemporary cartoonist, along with pieces about his father and childhood that inform the path in life he has chosen. Van Sciver displays a love of the history and form of cartooning that recalls Art Spiegelman and a Harvey Pekar-like way of just trying to stay alive in the face of despair.

LIVING & DYING IN AMERICA: A DAILY CHRONICLE 2020-2022

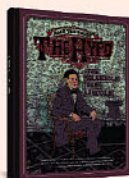

By Steve Brodner

\$29.99 / HC / 480 pgs / FC / 6.5" x 6.5"

Every day during the pandemic the political cartoonist and illustrator Steve Brodner would sit down and memorialize a singular person or event that played a role in shaping that day's news. *Living & Dying in America* includes many portraits of those who died in the pandemic and of those who displayed strength, decency, courage, and endurance. But Brodner does not ignore those who preyed upon the public, spread lies, and aided the virus' spread through their ignorance, incompetence, and malfeasance. The drawings range from quick sketches to elaborate paintings to carefully rendered mixed media, each accompanied by a brief biography of those who died or the event depicted.

But when Boris meets Sabine, a warrior French fry thirsty for revenge, nothing will ever be the same. Val and Aleta seek to raise an army which requires Val to capture a notorious outlaw, battle a troll, and find a hidden treasure. Arthur's forces wage an epic battle for the fate of Camelot, during which Arn becomes a knight of the round table. Also, writer Cullen Murphy and colorist Meg Murphy pay tribute to their mother, Joan, model for Aleta and other female characters for their father.

(W/A) Jo Rioux

Centuries ago, a rift was opened that let monsters into the world of Galatea. At least, that's how the story goes. Suri loves monsters—studying their lore, telling stories about them (for a fee), and—she hopes—one day taming them. Unfortunately, no one takes an orphan street urchin who travels with a merchant camp very seriously. But Suri's self-confidence, cleverness, and ambition serve her well when a mysterious new wagon joins her camp—holding something very big, very loud, and very monstrous. (STL226035) (C: 0-1-0)

WHY THE PEOPLE: THE CASE FOR DEMOCRACY GN

(W) Beka Feathers (A) Ally Shwed
Is democracy still the best form of government? Does it ever work like it's supposed to? In the middle of an airport, while waiting for a flight, Julie and Lin wonder aloud how America can ever be a democracy when citizens seem to disagree over everything. From there, the reader is whisked through political history, as Julie and Lin explain the differences between systems of power, including monarchy, theocracy, dictatorship, and oligarchy. In this witty and well-argued political graphic novel, Beka Feathers and Ally Shwed shed light on how democracy works, what makes it more effective, and the way it truly gives power to the people as long as we choose to wield it.

COSPLAY: A HISTORY SC

(W) Andrew Liptak

In recent years, cosplay—the practice of dressing up in costume as a character—has exploded, becoming a mainstream cultural phenomenon. But what are the circumstances that made its rise possible? Andrew Liptak—a member of the legendary 501st Legion, an international fan-based organization dedicated to the dark side of *Star Wars*—delves into the origins and culture of cosplay to answer this question. *Cosplay: A History* looks at the practice's ever-growing fandom and conventions, its roots in 15th-century costuming, the relationship between franchises and the cosplayers they inspire, and the technology that brings even the most intricate details in these costumes to life. Number of Million Dollar Comics More Than Doubles in 16 Months

Was anyone prepared for what the comic book market has seen the past two years?

In 2021 alone, the comic collecting market saw seven different books sell for \$1 million or more. Those seven comics comprised five different titles in seven different grades. If that wasn't impressive enough, the world record for most valuable comic book was set twice during the year.

Further, when we expand our look back by just sixty days, during that 14-month period the number of sales matched all of the \$1 million or greater comic book transactions that had taken place up to that point previously.

Then, if we go just a few months into 2022, we can say that the total number of million-dollar comics ever sold has *more than doubled* inside a year and a half. If you haven't let that sink in, take a moment and do so!

The secondary comic book market is a complex system of ups and downs (mostly ups in recent times, but not exclusively) that see the value of comics change on a constant basis. Many titles are on slow and steady trajectories until they see spikes in value when major storylines hit, or characters are set to appear in movies. Then there are the titles at the apex of the hobby, ones that seem destined for bigger and bigger prices.

As I write this, we see what looks to be another comic on the cusp of topping \$1 million with just about two weeks before its auction closes. It seems reasonable to expect that there will be others, but we also wonder what effect – if any – world events will have.

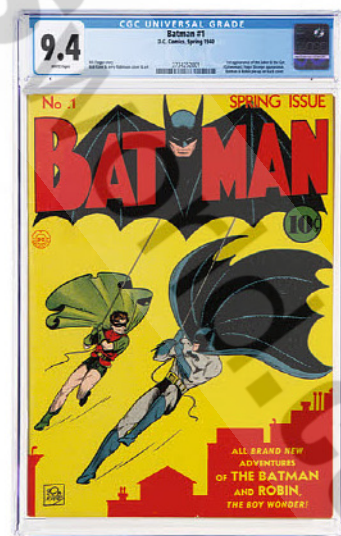

So far, we've seen different copies of *Action Comics* #1, *Detective Comics* #27, *Amazing Fantasy* #15, *Superman* #1, *Batman* #1, and *Marvel Comics* #1 enter the rarified air of the seven-figure sales club. We've seen *Captain America Comics* #1 lurking just outside and there are others we're watching.

We've never been in the prediction business, but I think we can safely say it's going to be interesting!

SPEAKING OF CELEBRATIONS...

Two years ago, we celebrated the **50th anniversary** of *The Overstreet Comic Book Price Guide*. We marked the occasion with a facsimile edition of CBPG #1, featured Todd McFarlane's incredible *Spawn/Spider-Man* crossover cover on our main edition, and released *Overstreet @ 50: Five Decades of The Overstreet Comic Book Price Guide*. All were well received.

Two years later, here we are at the **40th anniversary** of **Diamond Comic Distributors**, another tremendous benchmark we at the *Guide* are pleased to highlight.

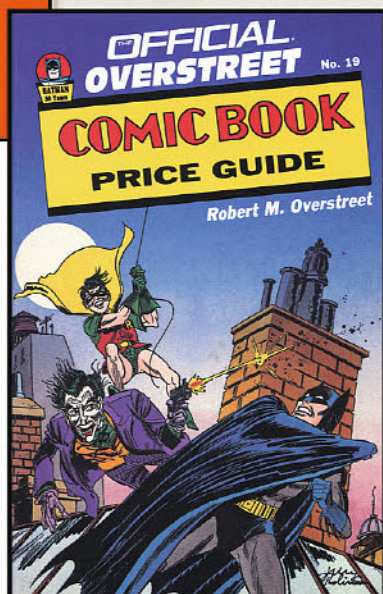

The first edition of the *Guide* to be featured in **PREVIEWS** – on the cover of the January 1980 issue, no less – was CBPG #19.

With its “Gem of the Month” designation, the listing spotlighted Jerry Robinson's cover, which featured Batman, Robin, and the Joker. That edition of the *Guide* included interviews with Bob Kane and Robinson, and it weighed in at about 490 pages (well less than half of today's page count for the *Guide*).

Very quickly it became apparent that **PREVIEWS** was a great venue for the book. To this day, each year in the month it is released, the softcover regularly ranks as the number one book at Diamond, followed by the hardcover in the number two spot. The *Big, Big* edition also regularly places inside the top 10, too.

We're happy to mark the occasion with a special cover to say “**Thanks!**” and “**Here's to the next 40!**” to Steve Geppi and our friends at Diamond!

She screams and fights, scratches and spits, and has to be carted away to specialized clinics for frequent treatments. Based on the creator's own childhood experiences, *The Parakeet* is the story of a boy whose only refuge from life's harsh realities lies in his imagination. In his eyes, we see the confusion and heartache he feels as he watches his mother's illness worsen and the treatments fail. LOVE ME, PLEASE: THE STORY OF JANIS JOPLIN HC

(W) Nicolas Finet (A) Christopher
How did a very young messed up woman, a drug addict filled with doubt, become in a few years a planetary icon of rock music? Janis Joplin went from the shadows to the blinding light of fame in only four records (the last one issued a month and a half after her tragic death). Thanks to a worldwide movement of emancipation which would consecrate for a long time the ideals and modes of alternative lifestyles from counterculture to the flower power generation, Janis, the ugly duckling, gave free rein to her impulses. Joplin left for San Francisco, the epicenter of cultural innovation, where she lived a freedom of which she would hardly have dared to dream, abandoning herself to all impulses, overcoming without hesitation all the taboos of the time: bisexuality, alcohol, drugs, doing so not only with delight, but with the taste for excess which came naturally from her spontaneous character. PENGUIN CLASSICS MARVEL COLLECTION VOLUME 1: THE AMAZING SPIDER-MAN GN

(W) Stan Lee (A/CA) Steve Ditko

It is impossible to imagine American popular culture without Marvel Comics. For the first time, these classic stories of some of the most iconic super heroes in the history of American comics are Penguin Classics. This anthology goes back to the original source material for *The Amazing Spider-Man*, with key stories from the first two years from 1962 to 1964. These allegories of adolescence permanently transformed the conventions of the super hero genre by insisting that great power is never just a means to an end, but also a burdensome responsibility. The introduction offers fresh insights into character development and the personalities of his creators. Also included are rarely reprinted non-super hero stories, early letter pages, and supplemental materials shedding light on Lee and Ditko's artistic process. PENGUIN CLASSICS MARVEL COLLECTION VOLUME 2: CAPTAIN AMERICA GN

(W) Stan Lee, Joe Simon (A) Jack Kirby & Various

Debuted in 1941—almost a year before the events of Pearl Harbor—Captain America was initially conceived by Joe Simon and Jack Kirby as a pop culture argument for US intervention in the European war against fascism. This collection includes his first appearances from 1941 alongside key examples of his first solo stories of the 1960s, in which the newly resurrected hero of World War II struggles to find his place in an unfamiliar world. The transformation of this American icon thus marks a parallel transformation in the nation itself. The introduction offers insight into the social and political significance of Captain America as a character and a national symbol, while a critical apparatus and appendices shed further light on his creative development. PHASERS ON STUN! HC

(W) Ryan Britt

Ryan Britt charts a course through *Star Trek* history, illuminating the bold choices that have allowed Star Trek to help shape the world that watched it, including stories about making history with LGBTQ representation, the sequence of decisions that turned Spock from a red devil to the personification of logical empathy, the significance of the Starfleet uniforms, *Star Trek's* surprising history with fan outrage, and more. Including extensive interviews with *Star Trek: Picard* showrunner Michael Chabon, and actors William Shatner and Jonathan Frakes, Ryan Britt has all the right access and the right connections to publish a definitive yet totally modern book on what *Star Trek* means today. THEIR BLOOD GOT MIXED: REVOLUTIONARY ROJAVA AND THE WAR ON ISIS SC

(W/A) Janet Biehl

In the summer of 2012 the Kurdish people of northern Syria set out to create a multiethnic society in the Middle East. Syria plunged into civil war, the Kurds and their Arab and Assyrian allies established a self-governing polity that was not only multiethnic but democratic. And women were not only permitted but encouraged to participate in all social roles alongside men, including political and military roles. To implement these goals, Rojava wanted to live in peace with its neighbors. Instead, it soon faced invasion by ISIS, a force that was in every way its opposite. When ISIS attacked the mostly Kurdish city of Kobane and overran much of it, the YPG and YPJ, or people's militias, declined to flee. Instead they resisted, and several countries, seeing their valiant resistance, formed an international coalition to assist them militarily. (STL226304) (C: O-I-I)

Frederick L. Jones

PREVIEWS INTERVIEW: "SATURDAY AM" OF THE QUARTO GROUP

Even in these times of struggle for the industry, and throughout the world, it's good to see new publishers arise to bring a fresh new approach to comics with new ideas and stories. Set to debut their line in June this year, The Quarto Group is preparing to take the comics world by storm, and

Frederick L. Jones, former video game executive, author and founder of Saturday AM's umbrella organization, MyFutPrint LLC, spoke with **PREVIEWS** about their upcoming titles, their

relationship with The Quarto Group, and much more...

PREVIEWS: So, to kick things off, Saturday AM is an extension of The Quarto Group. What can you tell us about Saturday AM and why the need to make it a separate house?

Frederick L. Jones: "Saturday AM" is the publishing brand belonging to a separate company called MyFutPrint Entertainment, LLC, and is now a strategic publishing partner of The Quarto Group. That said, we feel like part of the family at The Quarto Group, which is why we chose them to be our print publisher and distributor! MyFutPrint and Saturday AM were started by myself and up-and-coming artists Whyt Manga (a.k.a. Oduze Ogunu, from Nigeria) and Raymond Brown (from the U.S.) in 2013.

The partnership was a natural fit, as The Quarto Group had done a few books in the "how to draw manga" space, and was eager to enter the manga graphic novel market, whereas Saturday AM had built a solid business and global fan base via digital distribution and social media.

P: From an industry/market perspective, what made Saturday AM want to focus on manga but through a diverse lens?

FLJ: We believe that, just as Kirby's Marvel Comics defined superhero comics for generations, manga is the visual language of many young people, from the early 2000s to today. For artists around the world, manga is their first and only preferred comic book entertainment. The medium's growth worldwide has been incredible due to the proliferation of anime streaming services as well as licensed publishing deals. So, today's generation of young artists not only draw naturally manga-inspired artwork, but they've been developing their own IP to create their stories in this style.

Unfortunately, most of these talented young people do not speak Japanese, nor is moving to Japan an option for them. Likewise, these creators are more adamant about producing manga that features characters who actually look like them. Saturday AM was designed to be a platform for every creator who loves manga but wants to put their own spin on it.

We have artists from six out of seven continents, across various ethnicities, and with exclusive series like *Clock Striker* and *Massively Multiplayer World of Ghosts*, which feature *shonen* manga's first black female lead hero and first Indian lead hero, respectively.

When you look at the success of manga as well as YA graphic novels (which feature many diverse heroes), we believe that Saturday AM is a perfect blend of both categories for today's modern reader.

P: And are the books your typical manga format or something else?

FLJ: Saturday AM is primarily a digital manga anthology magazine like *Weekly Shonen Jump*, and thus the individual stories have that same high tempo of storytelling with dynamic cliffhangers as traditional manga from Japan. We are collecting them in these new print editions, courtesy of The Quarto Group.

Here are a few of the differences:

- We operate in the Western orientation of left to right. As most of our artists are from countries where the majority of content is presented from left to right, it's more of a natural fit to lay out pages in that orientation.
- Our books are not full-color throughout, but will have select color pages to better accent certain scenes.
- Finally, we have a post-credit scene in every book that offers a small story tidbit that possibly foreshadows the next volume and/or a larger storyline.

P: Let's talk about some of the debut titles. What can you tell us about *Apple Black*, *Hammer*, *Saigami*, and *Oblivion Rouge*?

FLJ: Ah, well, we're launching *nine* graphic novels this year, plus Saturday AM's first annual anthology and a how-to-draw diverse manga book — and the first four graphic novels are a great kick-off to the line!

Apple Black is our most popular series, and is a perfect blend of action, dynamic character designs, and gorgeous artwork. Created by Whyt Manga, a popular YouTuber with over 470k followers, *Apple Black* is about a young magic-user destined to save his world... or to *destroy* it.

Hammer is an epic fantasy adventure about a young boy named Stud who's trying to retrace his father's adventures via a magic journal. While he can go to incredible places across time and space, he's also able to protect himself with the ability to turn his hands into *hammers*! This is a super-fun series by JeyOdin, an artist who will appeal to people who love Jeff Smith, Eiichiro Oda, or Walt Kelly.

Saigami is an *isekai*-style story where a troubled European teenage girl gets transported to a magical world with dragons, elementalists, and mysteries that may just doom both worlds. Created by Seny, a Hungarian artist with a strong fan base around the world, this series works on multiple levels and will appeal to girls and boys alike.

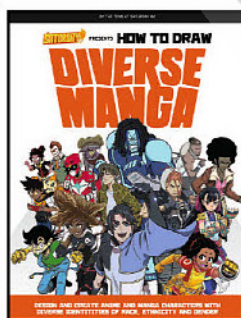

Oblivion Rouge is inspired by the Japanese cult film *Battle Royale*, but intertwined with a healthy dose of Afro-futurism. Created by Senegalese artist Pap Souleye Fall, this work deals with a future Africa under siege from a threat that requires young soldiers to put aside their differences for the greater good. But there's more to this threat than meets the eye!

P: Looking forward, what can readers expect from Saturday AM?

FLJ: Saturday AM is going to offer exciting and unique visions from many creators around the world. New Zealand, France, Ghana, United Kingdom, Greece, and many other countries are represented on our publishing slate. There's truly something for everyone, but one of the things we want readers to look forward to is that *all* our stories are connected. We're bringing the excitement of the connected universes that fans love in Marvel and DC to our diverse manga multiverse. Readers who check out more titles will get more ideas about the building blocks of our mythology.

P: If there is one thing that you want people to know about you as a publisher, what would it be?

FLJ: That we are fans of comics around the world, and fans of the comic book and bookstores where people get their favorite titles. Our brand generates millions of impressions online and has over 700K followers across social platforms. We're committed not just to creating fun stories, but also to working with retailers to hype those stores to our online fanbase. We hope to grow with our retail partners to bring an exciting new opportunity for fans of this manga-inspired content!

ALICE GUY: THE FIRST LADY OF FILM GN

(W) Jose-Luis Bocquet

(A) Catel Muller

In 1895 the Lumière brothers invented the cinematograph. Less than a year later, 23-year-old Alice Guy, the first female filmmaker in cinema history, made *The Cabbage Fairy*, a 60-second movie, for Léon Gaumont, and would go on to direct more than 300 films before 1922. Her life is a shadow history of early cinema, the chronicle of an art form coming into its own. A free and independent woman who rubbed shoulders with masters such as Georges Méliès and the Lumières, she was the first to define the professions of screenwriter and producer. She directed the first feminist satire, then the first sword-and-sandal epic, before crossing the Atlantic in 1907 to the United States and becoming the first woman to found her own production company. Guy died in 1969, excluded from the annals of film history. (STL225889) (C: 0-1-0) SC, 7x9, 400pgs, B&W\$23.99

WRITTEN BY: BJORK MATIAS FRIIS

ART BY: BJORK MATIAS FRIIS

The Baltic Sea, AD. 867

Root is a thrall on the island of Bornholm, sold into slavery with no recollection of his former life. He's also a very unpopular thrall. He's slept with his master's favorite servant girl and as a result, he's sent out to guard the sheep from a mysterious creature that's left livestock dead all over the island.

But Root's fate is about to change - as two trolls, servants of the mischievous Loki - have come to Bornholm in search of the creature and Root's going to help them, whether he wants to or not.

Both gods and jotuns have long meddled in the affairs of men and Root soon finds himself irreversibly entangled in Loki's shadowy plots.

In a not too distant future, man has made himself a god through the creation of a new type of artificial beings made in his own image. But perfectly replicating the human being means also reproducing all his flaws and dark sides.

A struggle between man, nature and machine, told through the intersection of the stories of a man, a guinea pig monkey and a synthetic robot, will show us the violent nature of the creator, which is inevitably reflected in his creature. A collected edition of the hit mini-series shown in a whole new way... uncut!

Laying low in prison isn't going very well for famous cape killer Travis Holden. Things are only getting worse as he enters the crosshairs of the creature believed to be the inter-dimensional kingpin of New York. Travis is going to need to use skills he never wanted to again if he wants to live.

VERISSIMUS: THE STOIC PHILOSOPHY OF MARCUS AURELIUS GN

(W) Donald J. Robertson (A) Zé Nuno Fraga

Donald Robert's graphic novel *Verissimus* reimagines the life and philosophy of the Roman emperor Marcus Aurelius. Based closely on historical sources and weaving them into a thrilling historical epic, *Verissimus* teaches readers a philosophy of life through illustration. It opens with Marcus' death and tells the story of his entire journey: his education, relationships, wars, plague, and civil war — all leading up to his remarkable death. *Verissimus* illustrates key Stoic ideas, and focuses on developing love, empathy, and overcoming anger, all emotions with which Marcus struggled. Robertson highlights several key relationships, and through them tells the story of the famous philosopher's intellectual journey and emotional transformation. (STL226001) (C: 0-I-0)

AFTER LAMBANA: MYTH AND MAGIC IN MANILA GN
 (W) Eliza Victoria (A) Mervin Malonzo
 Immerse yourself in a fantasy world of Filipino myth, magic, and supernatural suspense! Lambana—the realm of supernatural fairies known as Diwata—has fallen, and the Magic Prohibition Act has been enacted. To add to his troubles, there's something wrong with Conrad's heart and only magic can prolong his life. He teams up with Ignacio, a well-connected friend who promises to hook him up with the Diwata and their magical treatments, a quest that's not only risky but highly illegal! On the shadowy, noir-tinged streets of Manila, multiple realities co-exist and intertwine as the two friends seek a cure for the magical malady. Slinky sirens and roaming wraith-like spirits populate a parallel world ruled by corruption and greed, which Conrad must enter to find the cure he seeks. Will Lambana spill its secrets and provide the healing balm Conrad needs? Or will he perish in the process? (STL226256) (C: 0-1-0)

Princesses are supposed to be poised, graceful, and likeable, right? Well, Kenzie is none of those things. She's always felt like the black sheep of her family next to her two perfect siblings. Her anxiety has only grown since her parents moved their family across the world to start a Medieval-themed resort in an old castle. GO: A KIDD'S GUIDE TO GRAPHIC DESIGN SC

(W/A/CA) Chip Kidd

Design is all around you. And whether you realize it or not, you are already a designer. In *Go*, renowned graphic designer Chip Kidd explains not just the elements of design, including form, line, color, scale, typography, and more, but most important, how to use those elements in creative ways. Like putting the word "go" on a stop sign, *Go* is all about shaking things up—and kids love its playful spirit and belief that the world looks better when you look at it differently. Kidd writes about scale: When a picture looks good small, don't stop there—see how it looks when it's really small. Or really big. He explains the difference between vertical lines and horizontal lines. The effect of cropping a picture to make it beautiful—or, cropping it even more to make it mysterious and compelling. How different colors signify different moods. The art of typography, including serifs and sans serifs, kerning and leading. The book ends with ten hands-on design projects for kids. From 2017-2019,

the throngs passing through Tokyo's emblematic Shibuya neighborhood were

Manga is a form of Japanese narrative art that has grown over the centuries to become a global phenomenon in the post-World War II era. Initially referring to graphic novels and comics, manga has expanded beyond its original forms to include animation, fashion, and new media. Arranged into six thematic chapters, each opening with an essay, followed by interviews and art selections, this revealing study traces the origins of manga and explores its role in society, and its appearance in different media, from video games to street art, as well as its growing international reach. THE GOD AND THE FLIGHTLESS MESSENGER GN

(W/A/CA) Hagi

A messenger's duty is to care for and protect the god they've been assigned to. In order to complete these tasks, such messengers require wings. Shin, however, can't fly. His tiny, useless wings make him the target of ridicule and scorn among the other messengers and have kept him from being able to serve a god... until now. Determined to prove himself as a capable messenger despite his flightlessness, Shin accepts his assignment to a mysterious being on one of the nearby mountains. At first, it seems an easy task to keep his charge safe and happy — especially when the deity in question is just a cute, fluffy ball of fur. But things aren't always what they seem. Recently, messengers flying over the strange god's mountain have been disappearing. Even as suspicion mounts against his deity, Shin just can't bring himself to think that such a gentle god could have a dark side. CHÉRI, MY DESTINY! TP

(W/A) Okoge Mochino

"My chocolate's so good it'll make you grovel on your knees!" Kaoru is brimming with confidence. After all, he opened a patisserie after studying in France, and is the head chef of his own store. But there's one small problem; his customers are enamored with a local Japanese sweet shop and Soujiro, the attractive and reserved craftsman who makes the treats on offer. Convinced that stuffy old Japanese confections could never compete with his modern, Western style creations, he decides the only way forward is to prove to Soujiro that his chocolates are the best. But when Soujiro accepts his gift gracefully and even compliments him on his skills, Kaoru's intense feelings take a sudden turn in the opposite direction. (STL186817)

THERE ARE THINGS I CAN'T TELL YOU GN

(W/A/CA) Edako Mofumofu

Kasumi and Kyousuke are polar opposites when it comes to personality. Kasumi is reserved, soft-spoken and shy; Kyousuke is energetic and has always been popular among their peers. As the saying goes though, opposites have a tendency to attract, and these two have been fast friends since elementary school. To Kasumi, Kyousuke has always been a hero to look up to, someone who supports him and saves him from the bullies. But now, school is over; their relationship suddenly becomes a lot less simple to describe. Facing the world—and one another—as adults, both men find there are things they struggle to say out loud, even to each other. (STL147776)

DIAMOND SELECT TOYS' NEW BUST LINE SENDS THE GARGOYLES SOARING

In the 1990s Disney scored an afternoon television hit with *Gargoyles*, an animated series about a clan of Scottish gargoyles transported from Scotland to New York City while they hibernated and who became guardians of the city. Beloved by fans for twenty-five years, the Gargoyles come to Diamond Select Toys with a new mini-bust line!

Diamond Select Toys' line of *Gargoyles* merchandise begins with Goliath, the leader of the Gargoyles. Standing 7 1/2" tall with a wingspan of 9 1/2", featuring a design by Barry Bradfield based on Disney's original designs, the *Gargoyles: Goliath 1/7-Scale Resin Mini-Bust* is ready to take flight from its stone base.
